

Best Practices for Home Worship

Parents and babysitters, we want to equip you to disciple your kids well in this season. Here are some tips on the best way to invite your little ones to join us as we worship together as the Heights in Homes, and as you lead them through the curriculum for the week.

→ Prepare: Look ahead at the curriculum, activities, and songs. Then, gather everything you need before the service starts (Bibles, journals, etc.), and don't forget to use the bathroom!

→ Print: Download resources like our coloring sheets. No printer? No problem! Have your kids write or draw something along the same line.

→ Put Aside: Take a break from distractions like phones, pets, and food.

→ Pray: As a group, ask the Holy Spirit to help everyone hear and believe.

→ Participate: Model worship for your kids by singing, praying, and opening God's Word. Remind everyone that the Church is God's family—a group of people who love and trust Jesus—not a building.

→ Practice: Discuss how you'll apply the lessons you just learned.
