

Everyday, we go to the word of God for a word from God

The following Bible reading plan will take you through more than a dozen books of the Bible as well as through the Psalms more than twice. *The heart behind this plan is not to accomplish a feat, but to help build a daily habit of engaging with the scriptures.* This plan is designed for reading a chapter a day during the week, but we have also added a daily Psalm for those who prefer to read more. Our hope for this plan is that it would introduce you to the life-changing practice of daily bible reading.

A note on failure & grace

Throughout the year you may find yourself in a place where you have missed a few days, weeks, or even months of Bible reading. It's easy to think, "I've blown it, I might as well give up until next year." That is not what Jesus says to us in our failure, and it's not how this plan is designed to work. No matter how much time has elapsed since the last time you read, you can pick up on whatever day it is. Success for this plan is not completing the entire plan, **but rather success is developing a habit of daily engagement with the Bible that creates real life change.**

When you fail this year, don't reject the grace that Jesus is offering you. Instead, allow him to put his arm around you, forgive you, and lead you into renewal through a daily engagement with his word.
